

How to Find Danger Spots in Your Employee Handbook

Practical Legal Solutions for the Employer!

Many sample policies for employee handbooks are discussed and debated on this CD.

This CD features employment lawyer Nancy Joerg* working with her real-life client, Larry Jones, the owner of an Illinois business. They are discussing the pros and cons of Mr. Jones having an employee handbook. Mr. Jones is very worried about having an employee handbook and all the troubles he could be creating by having one. He thinks he may be better off without one.

Nancy Joerg explains to Mr. Jones all of the legal protection that he will enjoy by having an employee handbook. They also review all of the many DANGER SPOTS that can exist in an employee handbook. You will hear explanations for:

- all of the management advantages in having an employee handbook
- all of the do's and don'ts for revising an employee handbook that assist the company but do not violate any laws or impose unnecessary liability on the company.
- how an employee handbook can be put together with a minimum of stress and strain on the company.
- in-depth discussion on the area of "contract disclaimers" and "employment-at-will statements"

The entire CD is done in such a way that any listener can understand both the purposes and the problems with employee handbooks. Any company that is currently using an employee handbook or thinking about using an employee handbook should listen to this CD. It is in plain English, easy to understand, and done in a very practical, down-to-earth and humorous fashion. This CD would be valuable in the hands of a human resource department, any company manager, company executives and owners, and any advisor to a company.

*Nancy E. Joerg is an employment lawyer from Wessels Sherman. She has represented employers before the courts, the IRS, the Illinois Department of Employment Security and other agencies. She has successfully represented many companies across the U.S. and consults with a wide variety of industries on employment issues. A nationally-noted speaker and writer, Ms. Joerg writes for an extensive group of publications. Ms. Joerg has produced many CDs for Wessels Sherman including independent contractor status, sexual harassment and solving overtime issues.

The law in the area of employee handbooks has changed a great deal in recent years. This CD is a must for all businesses using employee handbooks or considering the use of employee handbooks. This CD makes for easy but extremely valuable listening.
