## Avoid Pitfalls in Using Independent Contractor Installers

Participate by Phone:

Thursday, November 17, 2011

2:00 p.m. – 3:00 p.m.

Cost: \$75.00

Teleconferences offer an excellent opportunity to brief your entire staff with *no lost time or expenses*. And no special equipment is required to participate in the live interactive program – all you need is a standard telephone. In just one valuable hour, you and an unlimited number of your staff members will gain a deep and clear understanding of *many* difficult issues. Some of the areas covered include:

1. How an independent contractor agreement can actually destroy an independent contractor relationship!
2. How to deal with troublesome workers' compensation issues.
3. How to strengthen independent contractor status (including establishing and maintaining independent contractor files) to help lower liability and the risk of legal problems.
4. What are the biggest errors companies make in their independent contractor relationships with installers?
5. How to comply with the brutal law, the Illinois Employee Classification Act.
